## Ladies Day

### Happy Times

The first 'Ladies Day' horse racing event at The Amwell Care Home was an overwhelming success, with attendees enjoying a wonderful time. Thanks go to Trudy, Molly and Lilly, who put in a great deal of effort to make it a memorable experience for everyone involved.

One of the residents in attendance was moved to tears by the experience, as it brought back fond memories of owning a similar horse. It was heartwarming to see the emotional impact that the event had on the residents.

Despite some initial concerns about the weather, the day turned out to be a beautiful one, and the event was enjoyed by all. We were treated to a thrilling 'horse racing' experience, with many cheering on their favourite 'jockeys'!

## Arts & Crafts

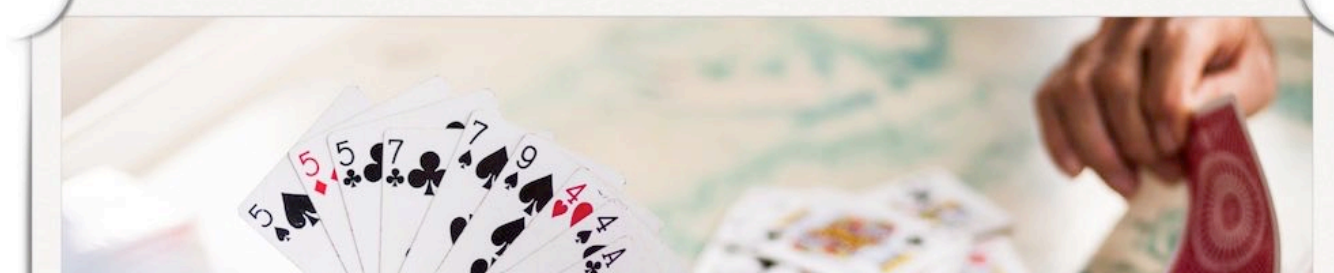

### Creative Freedom!

At The Amwell Care Home we take pride in providing endless entertainment options for our residents. Everyday, we strive to create a space where our residents can enjoy positive experiences and make their own decisions. We understand the importance of providing opportunities for our residents to participate in a variety of activities, either alone or in a group setting.

One such activity that our residents loved was taking our paints outside on a beautiful sunny day, accompanied by friends and refreshments. It's just one of the many ways we strive to make every day special for our residents.

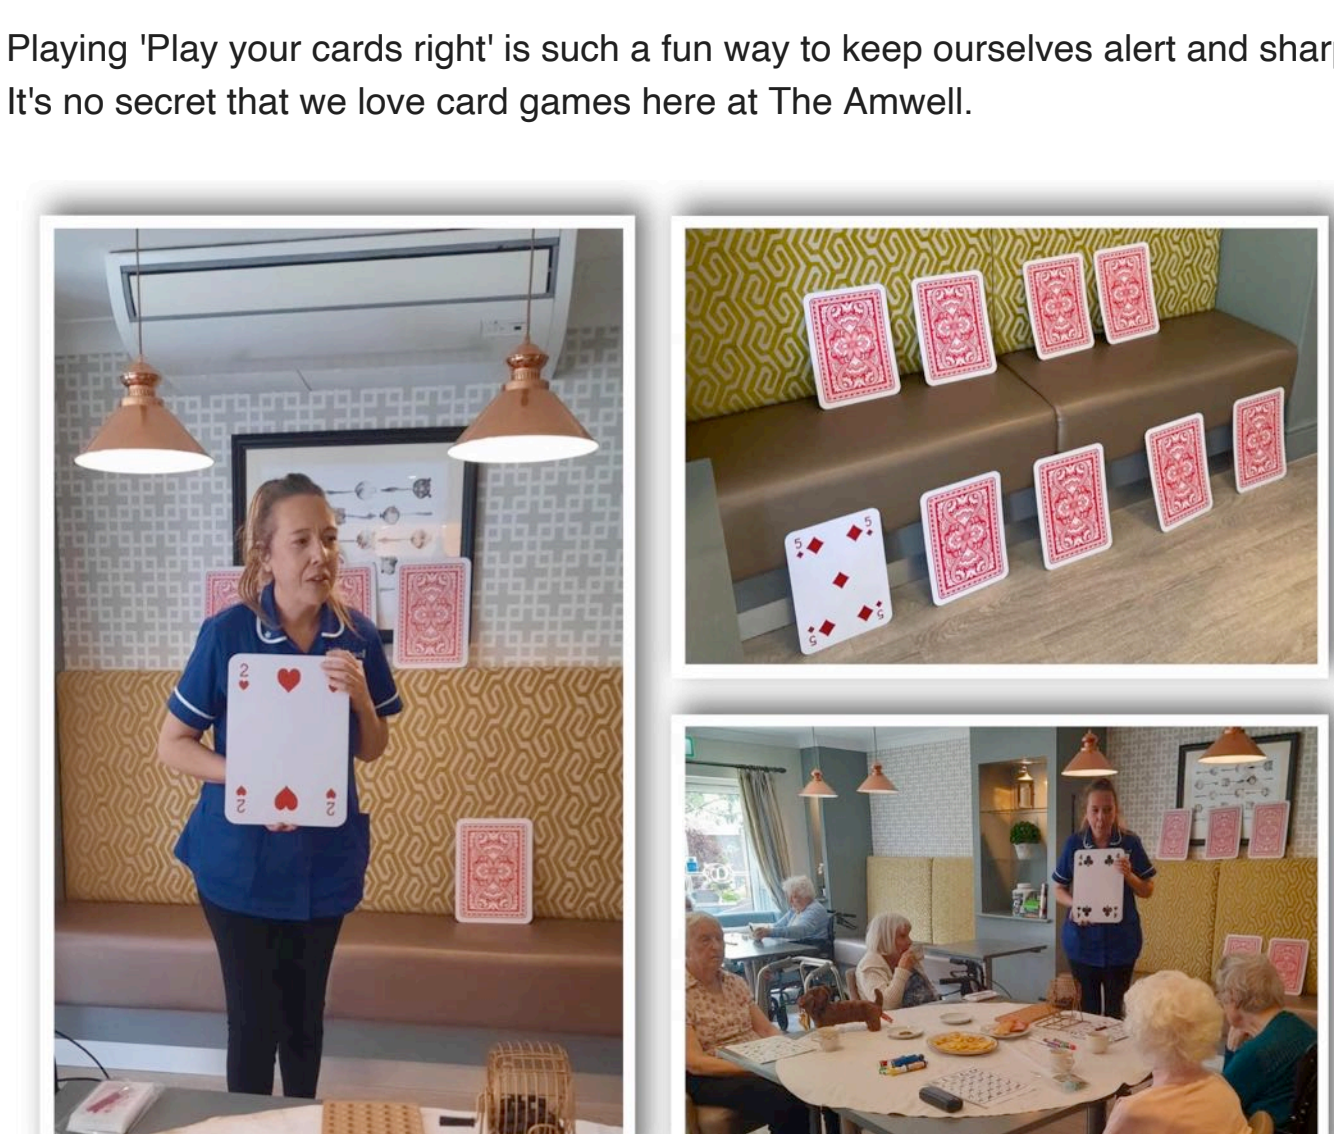

## Card Games

### Fun & Games

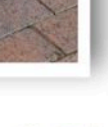

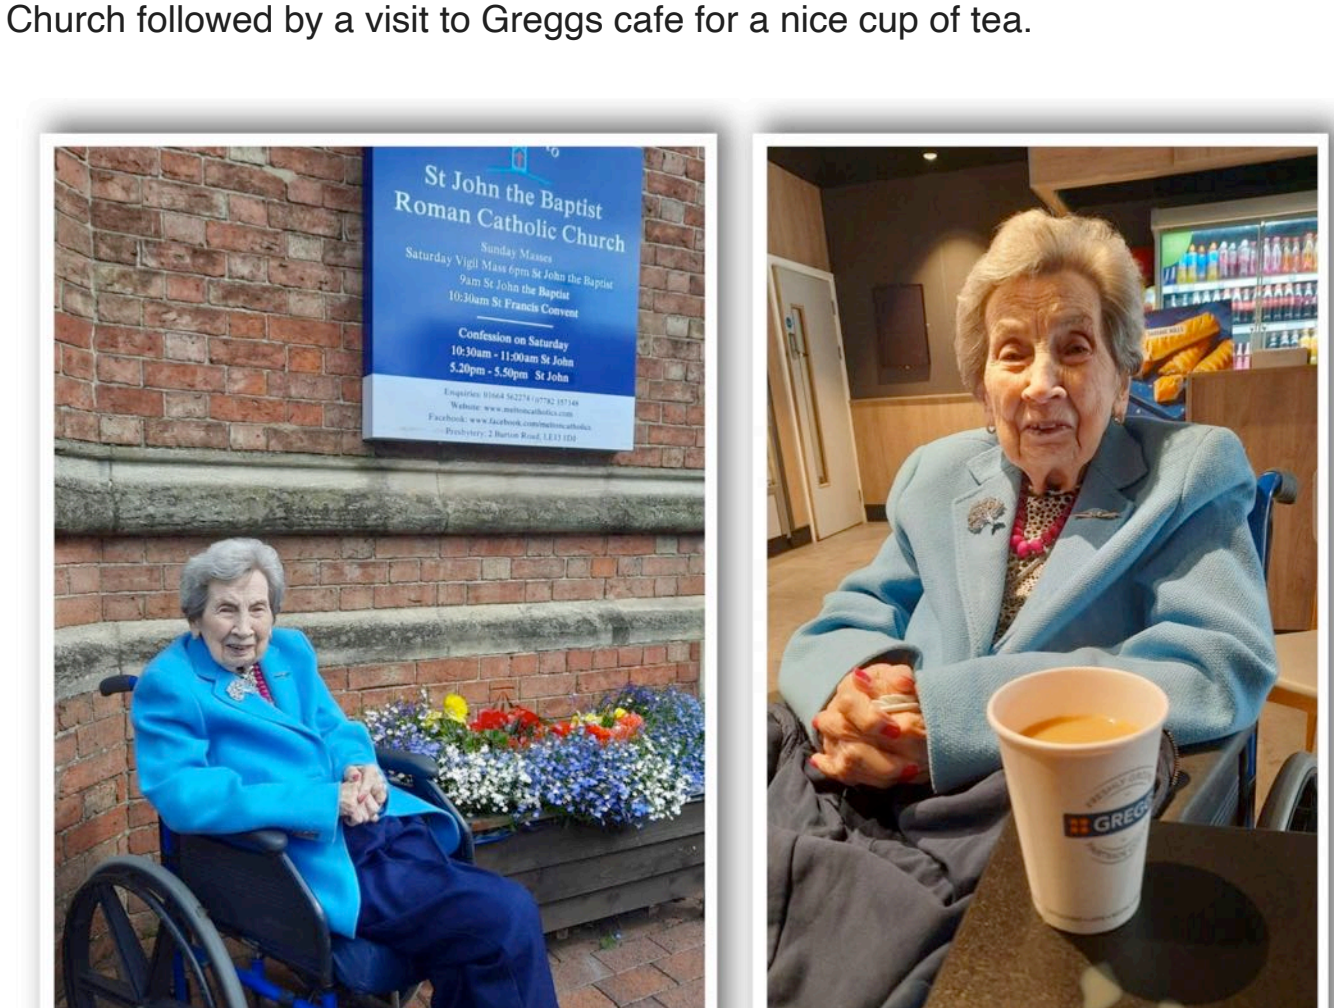

Playing 'Play your cards right' is such a fun way to keep ourselves alert and sharp! It's no secret that we love card games here at The Amwell.

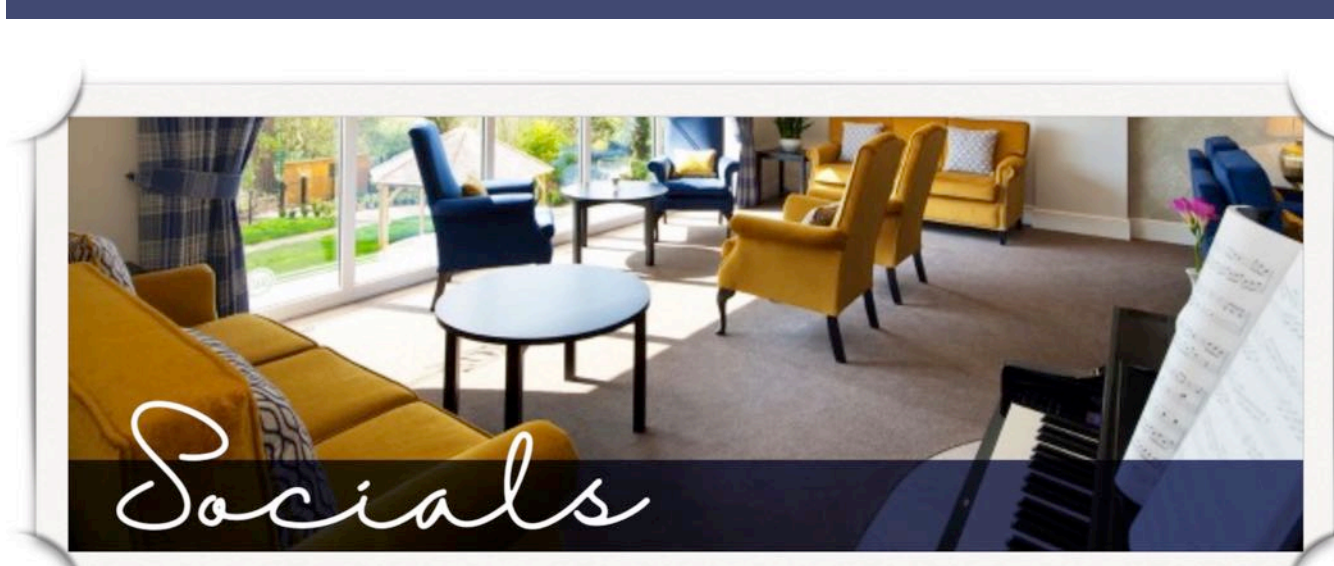

## Spiritual Journeys

We understand the importance of supporting the faiths and beliefs of all our residents. We believe that everyone should have the freedom to practice their religion in a safe and respectful environment. That's why we make it a priority to provide the resources and support necessary for our residents to continue their spiritual practice. Whether it's through attending services or watching online, we are committed to ensuring that our residents' faith is respected and supported.
