Remembrance Day

Lives Laid Down

'We live in direct relation to the heroes and heroes we have. The men and women who without knowing our names or recognising our faces, risked and sometimes gave their lives to support our country and our way of living. We must say thank you'

'At the going down of the sun and in the morning, we will remember them'

Remembrance Sunday is always a sombre time for many. The staff provide time for the residents to reflect and remember times gone by. Mixed emotions flow as we are grateful for the freedom we have now and sadness for those whose lives that were lost fighting for us.

We made our own poppies and took some beautiful photos of our residents hands holding them. We also enjoyed reading and listening to remembrance poems.

We attended the moving Remembrance Day church service then watched the parade and laying of the poppy wreaths at the war memorial.

Halloween Party

Spooky Season!

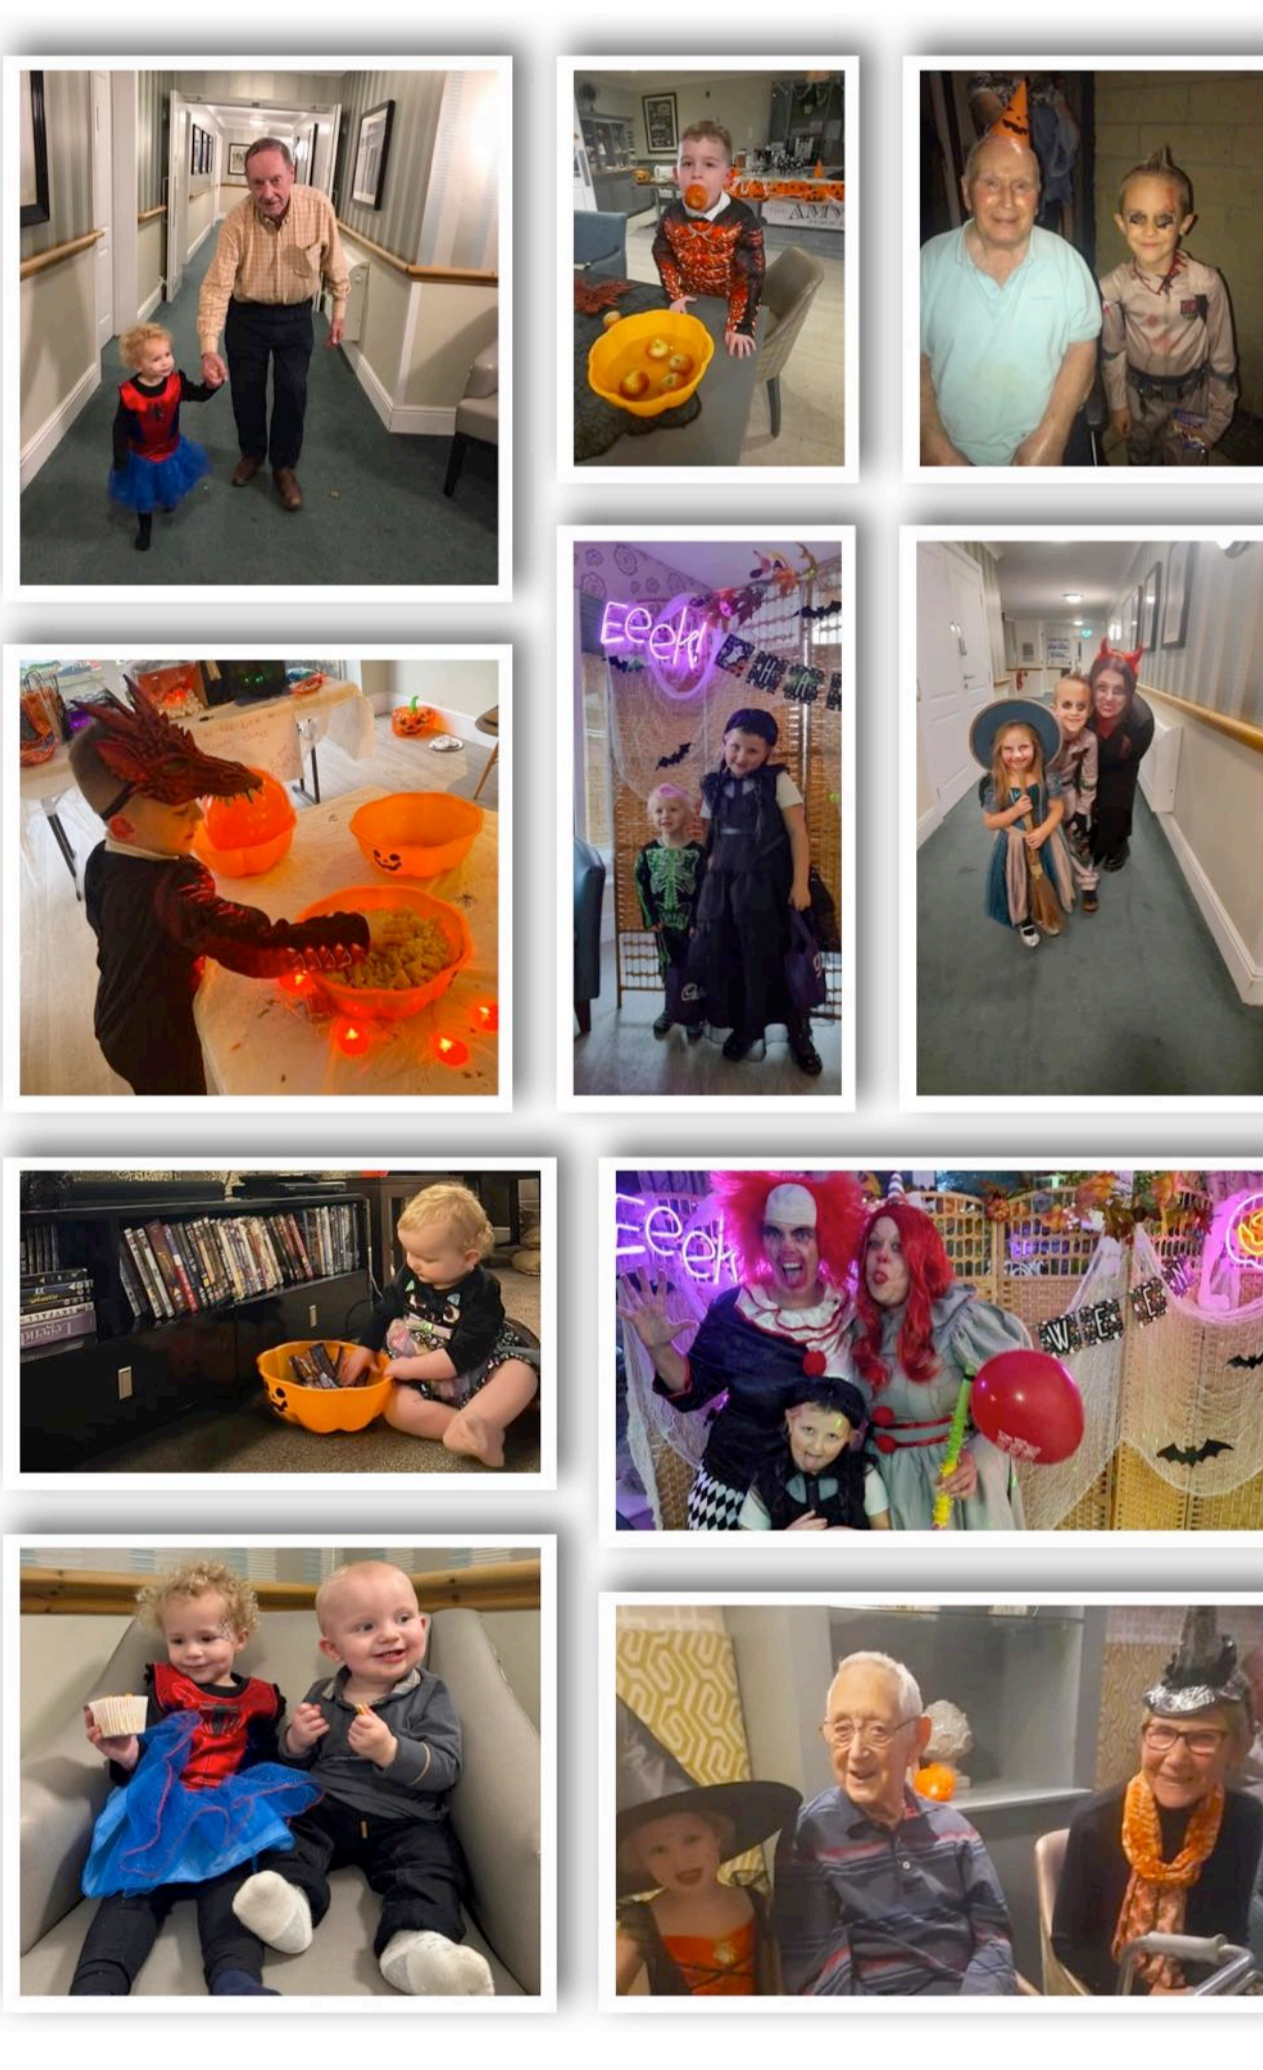

A massive well done and thank you to our activities, care team as well as volunteers who helped to host the homemade and Tik Tok inspired Halloween spooky games which were very much enjoyed and gave everyone a good laugh.

Our kitchen team put on a fantastic spread as usual which went down an absolute treat.

The Halloween celebrations were completed only when we welcomed a number of little Trick or Treaters looking resplendent in their spooky costumes and regaling us with their jokes, songs and tricks.

Pet Therapy

Smiling Faces!

This month, we had the pleasure of hosting a Therapet dog visit. Having pets in the home can improve self-esteem and confidence, reduce stress levels, decrease blood pressure and offers a way to increase physical activity. Most important of them all, it leaves a warm feeling in your heart.

Staff News

Meaningful Activities

Here at The Amwell, as we love to expand our knowledge we recently had a full-day training session to give all staff and family members an insight into a day in the life of a person living with dementia.

The feedback from everyone who attended was fantastic and has really opened their eyes to what others could be living with daily.
